Dear Allie:

Prior to your departure for huropa,

you may recollect that I told you of a young

at present with the man named

F.P.I. who wants to shift to the C.I.A.

For your convenience, I am enclosing a letter he wrote me on September 12 with the enclosure referred to therein.

I would appreciate it if you will let

me know whether there is any chance for M.

to make the shift and if so, how we

should take the matter up.

With best regards,

Sincerely yours,

Mr. Allen W. Dulles P. O. Fox 1513 Main Post Office Washington, D. C.
